Andrei-Constantin Bolboceanu

Frontend Developer @ Freelancing

Brașov, 37 years, Male

PROFESSIONAL EXPERIENCE

Freelancer in Brașov, Romania

Frontend Developer

March, 2022 - Present

In 2022 I discovered my passion for coding and I've been learning it ever since. I am building different web based applications and understand the concepts behind them. I am passionate about new technologies and their future potential, enthusiastic, self-motivated and curious by nature. I am a great problem solver, have the capability to work independently as well as with a team, and have the willingness to learn from other programmers.

Skills, tools & technology

The wonderful world of Front-End coding requires many skills but at the moment I am still learning and below you can find what I know so far.

Skill	%	Skill	%
HTML	80%	CSS	70%
JavaScript	50%	Bootstrap	65%
Responsive Web design	60%	GIT	55%
Adobe suite	40%	SEO	35%
SAP ERP	45%	Microsoft Office suite	70%
C Panel	55%	Rest API	30%

I've started learning and understanding **React**. This is work in progress.
